DON'T BE A VICTIM OF FRAUD

- If you misplace your Debit Card, you can disable it temporarily through the FNB Mobile App and enable it once you find the card.
- Never write your PIN on your debit card or on anything else stored with your card.
- Cover the keypad when entering your Debit Card PIN at an ATM, grocery store, etc.
- When shopping on-line use secure websites. Look for the closed lock icon or https:// in the address bar. Make sure you signoff the website after your purchase. We recommend that you not save debit card information on websites or apps.
- Never give personal information to a caller unless you initiated the call the phone number listed on their website. Fraudsters may give incorrect call back numbers to trick you.
- FNBLA will never call you and ask for information that we already have such as your account number, Social Security number, etc.
- Do not send personal or financial information through email or text.
- Shred documents that contain sensitive information.
- Limit the information on your personal checks. Do not include your phone number.
- Be aware of on-line scams and scams by mail that offer you money. If you are asked to receive money, keep a portion, and then send money to someone else – this is more than likely a scam.
- Be very careful applying for jobs on-line, especially if part of the agreement is moving money. This is more than likely a fraud scam and you are being used as a participant in a money laundering scheme.
- Never provide access to your cash app sign in code or personal identification number.
- If you drop mail at a post office box, do so prior to pick up time. Mail left unattended overnight is at risk for theft.
