CUT AND RETURN TO BANK

In case of Errors or Questions About Your Statement or Electronic Transfers

Telephone or write us at the telephone number or address listed at the top of this page of the statement if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error so that you will have use of the money during the time it takes us to complete our investigation.

BILLING RIGHTS SUMMARY

In case of Errors or Questions About Your Bill

If you think your bill is wrong and you need more information about a transaction on your bill, write us on a separate sheet at the address shown on your bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights.

In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain if you can why you believe there is an error.

If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while you are investigating, but you are still obligated to pay the parts of your bill that are not in question. We cannot report you as delinquent or take any action to collect the amount you question.

If a variable rate plan is involved, your periodic rate may vary.

**THIS FORM IS PROVIDED TO HELP YOU BALANCE YOUR
CHECKBOOK WITH YOUR STATEMENT**

[illegible]

NOTICE:

**THE FOLLOWING INFORMATION
APPLIES ONLY TO PERSONAL LINE OF
CREDIT CUSTOMERS**

Your personal line of credit balance may be paid at anytime but FINANCE CHARGES will accrue daily to date of repayment. Payment if full voids the accrual of additional FINANCE CHARGES.

A FINANCE CHARGE at the periodic rate shown on the reverse side hereof is imposed on your actual daily personal line of credit balance during the month billing period and is added to your account balance on the statement cycle date.

8.	Enter Final Balance as Per Statement		
9.	<u>Add</u> Any Deposits Not Credited		
10.	Total		
11.	<u>Subtract</u> Checks Outstanding		
→			
12.	BALANCE Should Agree with Your Checkbook		

EXPLANATION OF FINANCE CHARGES:

we compute the finance charge on your account by applying the daily periodic rate to the daily balance of your account. To get the daily balance, we take the beginning balance on your account each day, add any new advances and fees, and subtract any payments or credits and any unpaid finance charges. This gives the daily balance. Then, we multiply the daily balance by the daily periodic rate to arrive at a daily finance charge. We sum all the daily finance charges for the billing cycle to arrive at the finance charge for the billing cycle. There is no "free ride period" during which no interest accrues.
