Take These Easy Steps To Balance Your Checkbook Records With the Bank Statement

Arrange the paid checks in numerical order or by date. Then, on your checkbook stubs mark off (with a ✓) each entry that matches a paid check.

Make sure that other charges or deductions shown on the statement have been subtracted from your checkbook balance.....and that all deposits (and other credit items, if any) have been added.

List under "Checks Outstanding" all checkbook items not showing your ✓. These are the checks you have issued which were not paid by the bank during (or prior to) the period covered by the statement.
